

# Gulf States Shipbuilders Consortium Mark Landry Memorial Scholarship Application

## LETTER OF RECOMMENDATION

### Instructions

A letter of recommendation from a Career and Technical Education director or instructor must accompany the individual's scholarship application. At a minimum, the letter should comment on the following points:

- State how well, how long and in what capacity you know the applicant
- Why you are recommending this individual for this award
- The applicant's career goals/objectives and potential for success

Recommendation letters must be typed, limited to one single-sided page, and signed.

The individual named here is a candidate for the Mark Landry Memorial Scholarship. Recommendation letters will become part of the student's confidential file intended for use by GSSC's Board of Directors who make up the Selection Committee.

The letter of recommendation should be uploaded to the individual's online Scholarship Application form prior to submission.
