## Mark Landry Memorial Scholarship Application

## LETTERS OF RECOMMENDATION

### Instructions

Two letters of reference must accompany the individual's scholarship application. At a minimum, each reference letters should comment on the following points:

- State how well, how long and in what capacity you know the applicant
- Your knowledge of the applicant's personal situation
- Why you are recommending this individual for this award
- The applicant's career goals/objectives and potential for success

One letter of recommendation must be completed by an individual of the student's choice who is a past or present employer, teacher, guidance counselor or other school administrator.

A second letter of recommendation must be completed by an individual of the student's choice from a religious affiliation, volunteer organization or personal acquaintance.

Recommendation letters must be typed and limited to one page, one-sided.

The individual named here is a candidate for the Mark Landry Memorial Scholarship. Recommendation letters will become part of the student's confidential file intended for use by GSSC's Board of Directors who make up the Selection Committee.

Letters of recommendation should be uploaded to the individual's online Scholarship Application form prior to submission.
